

## Insula SKIATHOS

Una dintre putinele insule grecesti ce este acoperita cu paduri de pini la umbra carora te poti retrage in zilele de vara, **Skiathos** a devenit faimoasa si datorita celor 69 de plaje de nisip raspandite de jur-impjurul insulei. Dintre acestea, poate cea mai cunoscuta este plaja Koukounaries.

Vacantele in Skiathos sunt ideale pentru cei carora le plac viata de noapte, cumparaturile, plajele aglomerate si distractia. Cu toate acestea insula nu-si pierde farmecul: peisaje pitoresti, plaje mai linistite, pesteri si mici golfuri pentru cei dornici de a descoperi locuri ascunse.

**NOTA:** Tarifele din prezenta oferta sunt exprimate in euro, pe zi per persoana sau unitate, conform tabel.

## Insula SKOPELOS

Sunteti pe cale de a descoperi un mic paradis in inima Greciei. Peisaje romantice, plaje frumoase, pesteri, ape albastre, paduri de pini, casute pitoresti si multe biserici vechi. Acesta este tabloul pe care trebuie sa vi-l imaginati.

Daca inchiriat o barca veti avea ocazia sa va alegeti o plaja solitara, numai pentru voi. Daca alegeti masina puteti opta pentru una dintre cele 7 plaje aflate intre orasul Skopelos si Glossa, dar organizati-va programul astfel incat apusul soarelui sa va gaseasca pe plaja Panormos. Vetii avea senzatia ca inotati intr-un rau cu ape de aur, pe masura ce soarele coboara dupa orizont.
